## **CHAPTER-I**

# **INTRODUCTION**

The federating units/territories of Pakistan are not equal in level of economic and social development(s). The fundamental objective(s) of government functionaries at Federal, Provincial and Local level is to provide basic amenities to the people at their doorsteps as far as possible in keeping with the spirit of the mandate of people & law.

2. The fiscal decentralization to the local bodies at the Provincial level of Khyber Pakhtunkhwa is channelized through Provincial Finance Commission (PFC) – a statutory body established under Section 52 of the Khyber Pakhtunkhwa Local Government Act, 2013. This institution visualizes its budgetary policies & priorities through its financial Award containing recommendations as to a self-contained fiscal transfer system extending over the whole Province. The main objective of this Award is to offer a formula-based inter-governmental revenue-sharing system featuring transparency, equitability and predictability; so that local governments may find themselves inclined towards bringing about improvement(s) in their performance, service delivery and promotion of general welfare of the people.

3. The big chunk of revenues of the Provincial Government of Khyber Pakhtunkhwa (90% or more) arises out of the Federal Transfers comprising: Federal tax assignment, straight transfers on account of Oil and Gas Royalty, Excise duty/Development Surcharge on Gas and Net Hydel profit etc.

4. Through its financial Award, the Commission makes vertical & horizontal allocations of resources viz., (a) between the Province & Local governments and (b) the local governments inter se. In this regard first a **Provincial Pool** is determined based on the proceeds of Provincial Consolidated Fund. The **Obligatory expenditure** characterizing universality in its nature is therefore, deducted from the Provincial Pool and a **Divisible Pool** is thus determined. The net proceeds forming part of the Divisible Pool are further divided into **Provincial Allocable Resources** and **Provincial Retained Resources**. The Provincial Allocable resources are earmarked for the local governments whereas; the Provincial Retained resources are maintained by the Provincial Govt.

### CONCEPT NOTE

**Subject:** MEETING OF PROVINCIAL FINANCE COMMISSION (PFC) (LOCAL GOVERNMENT'S BUDGET 2023-24)

Pursuant to Article 37(i) and 140-A(1) of the constitution, the Government of Khyber Pakhtunkhwa promulgated Khyber Pakhtunkhwa Local Govt. Act, 2013 to ensure political, administrative and financial devolution at the grass root level. Accordingly, the Provincial Govt. has constituted Provincial Finance Commission under Section 51 Local Govt. Act, 2013 and the composition of Provincial Finance Commission as provided in Section 52 of Local Govt. Act, 2013 is as under:-

S#	Composition	Designation
1.	Minister for Finance	Chairman
2.	Minister for Local Government	Co-Chairman
3.	Secretary, Finance Department	Secretary/member
4.	Secretary, P&D Department	Member
5.	Secretary, Local Government Department	Member
6.	Secretary, Law Department	Member
7.	Two MPAs (one each from treasury & opposition)	Members
8.	"Five Chairmen, Tehsil Local Govt. one each representing a Zone as detailed in Twelfth Schedule elected by Chairmen, Tehsil Local Govt. in the respective Zone"	Members

2. Out of the above mentioned composition of commission, members at Sr. No. 7 & 8 (As chairmen have not been notified by Local Govt. Department for the Commission) do not exist. However, Advisor to Chief Minister for Finance as Chairman on behalf of Chief Minister and Co-Chairman of the commission listed at Sr. No. 1&2 respectively can perform their statutory obligation/function to recommend the amount, grant and shares of Local Govts. out of the proceeds of Provincial Consolidated Fund in a financial year as contained in Section 53 of LGA 2013 (*Annex-I*). However, the existing/present members of the commission are less than the requirement of three-fourth of the total number of members including Chairmen of Tehsil Councils as provided in Rule 5(7) of the Conduct of Business Rules, 2016 of Provincial Finance Commission (*Annex-II*). Since the quorum is incomplete, therefore, no meeting of the PFC can be summoned due to non-existence of the majority of statutory members of the commission at this stage.

3. On the contrary, the preparation of annual budget of the province for next Financial Year, 2023-24 being a scheduled activity, is in full swing and allocation of grants/shares of local govts. (devolved function) which is to be credited to local fund account, out of Provincial Consolidated Fund, during respective financial years, in terms of Section 34(2) is inevitable. Moreover, Section 53(2) of the LGA 2013 (*Annex-I*) further warrants that the grants/share for local governments (devolved functions) out of divisible pool of Provincial Consolidated Fund should be apportioned in accordance with the principles of fiscal needs, fiscal capacity and fiscal performance of local governments.

4. Therefore, in compliance with the provision of the Act ibid Finance Department has made efforts to assess and design a provisional/interim Award for consideration of the Provincial Cabinet/Govt. and has proposed the allocation of the following releases to local governments as interim arrangement out of provincial pool funds in historical perspective for next financial year 2023-24:-
